

KAUFER

CLÍNICA DE OJOS

ACADEMICO | Advancements in refractive and cataract surgery symposium

Julio 2012 | Fort Worth, Texas.

Faculty:	Dr. Renato Ambrosio	Brazil
	Dra. Guadalupe Cervantes	Mexico
	Dr. Robert Kaufer	Argentina
	Dr. Robert Lehmann	US
	Dr. Walton Nosé	Brazil
	Dr. Claudio Orlich	Costa Rica
	Dr. José Luis Rincón	Venezuela
	Dr. Andrés Rosas	Colombia
	Dr. Miguel Srur	Chile
	Dr. Enrique Suárez	Venezuela

Course Objectives

Cataract surgery is evolving at a rapid pace and it is in this context that the ARCS Symposium will provide a scientifically based overview of those technologies and techniques that will contribute to positive patient outcomes today and in the future. This event will feature an opportunity to interact with a world class faculty of ophthalmic surgeons and researchers, as well as colleagues from other parts of Latin America.

Main Topics

- Current Advances in Refractive and Cataract Surgery:
 - Refractive Lasers
 - Advanced Technology IOLs
- The Laser Refractive Cataract Surgery.
- Surgical Management of Astigmatism
- New Trends in IOL Technologies
- Refractive Patient Management
